Welcome to Kings Mountain High School

On behalf of Cleveland County Schools, I would like to welcome all patrons, fans and visitors to Kings Mountain High School, home of the Mountaineers! We are glad you are in attendance and we know you will enjoy watching all of our students perform. As a school system we are very proud of all our student athletes, cheerleaders and band members that are participating tonight.

We are indebted to the many people who work hard to make each game possible. We thank and appreciate the work of parents, coaches, volunteers, boosters, staff, administration and especially the students for making this event a great success.

Please enjoy the game, the fellowship with other spectators and watching our students perform. Drive safely and we hope you come visit our campus again soon.

Stephen Fisher
Superintendent

On behalf of our Administration, Faculty, and Coaches, I would like to welcome you to another exciting year of Mountaineer Athletics. I want to take the time to say "Thank You" for all that each of you do for our program. I would also like to extend our gratitude to the Booster Club, Touchdown Club, and contributors for their support of the Athletic Program. The Kings Mountain Athletic Department expects you to have a pleasant, fan-friendly experience. Kings Mountain has a rich tradition of academic and athletic success. We pride ourselves in holding high expectations for our players, coaches, faculty, parents, and fans. The rich tradition of success has been made possible through strong community support and district office support.

Thank you for being a Mountaineer.

Matt Bridges
Athletic Director

On behalf of our players, coaches and support staff, I would like to welcome you to John Gamble Stadium.

This year's team has put in many days of preparation getting ready for the 2019 season. We hope you will be proud of the team's attitude and effort as the Mountaineers strive to reach their potential.

Again, we want to thank all the Mountaineer fans for their support in helping make Friday Night Football special for these young men.

Go Mountaineers!!!

Community Partners

Established in 1998, Owners Cindy and David Settle have always been community oriented. They were awarded the Carson L. Fox Entrepreneur of the Year Award because of their community involvement.

Here are a few of the organizations they have supported over the years:

- Cleveland County Autism Awareness
- NC Special Olympics
- Junior Charity League
- Abuse Prevention Council
- American Legion World Series
- Feeding Kids of Cleveland County
- Cleveland Rutherford Kidney Association
- 7th Inning Stretch Festival
- Crest Horseshoe Club
- Pinnacle Classical Academy
- Toss for Tots
- Troup 101 - Sea Bass
- Shelby VFW

From 2010 - 2017 the Settles provided a scholarship to one graduating senior in all 5 Cleveland County Schools High Schools. In 2018 those dollars were used for the Cleveland County Schools Educational Foundation Scholarships Fund - which provides each graduating senior with a 4.0 GPA or higher a scholarship.
